Matched funding

Matched funding Matched funding has the ability to increase the takings of school events many times over.

An increasing number of large companies operate a match funding scheme whereby they "match" charity fundraising undertaken by their employees. These organisations set aside millions of pounds to fund such schemes and are more than happy to support their staff in raising money for charities of their choice. The amounts donated range from approximately £250 to £1000+ per employee per event.

As the Parents' Association is a registered charity we are in a position to benefit from your involvement, however big or small, at any fundraising school event. Your participation might be, for example, managing a stall or helping with the raffle. Both qualify as assisting with fundraising.

If your employer offers a match funding scheme, please contact Zey Kagan or Amit Singh of the Parent's Association on the email address above so that we can see how to comply with their requirements.
